

# TEE OFF FOR DOGS

*An Annual Golf Tournament Fundraiser Benefiting the Visually Impaired Community*

We invite you to become a corporate sponsor of Tee Off For Dogs, a charitable golf tournament supporting Guide Dogs for the Blind in San Rafael, California. Join us on April 29, 2012 at Monarch Beach for friendly golf and dining, while showing your community spirit.

How would you react to severe vision loss? It often brings isolation, loss of confidence and loss of independence. Now imagine having a companion willing and eager to tackle any task with you – a guardian angel, best buddy and furry icebreaker. As a team you'd be unstoppable. Guide Dogs for the Blind has offered that power of partnership since 1942, always at no charge, thanks to support from contributors like you.

Frank Frand credits Guide Dogs for the Blind, through his guide dog Cardinal, for restoring his independence and confidence in a career as a technical consultant. To show his appreciation, Frank started the Tee Off For Dogs golf tournament in 2004, a 501 (c)(3) nonprofit public charitable organization. The seven tournaments to date have grossed over \$200,000 to support the Guide Dogs mission. The 2011 tournament proceeds sponsored Jake, a young Southern Californian (and golfer!), graduating with his first guide dog, Quebec. Jake, Quebec, Frank and Cardinal are in the picture.

Multiple levels of corporate sponsorship are still available for the 2012 tournament, including Platinum/Tournament Presenter, Dinner Sponsor, Golf Shirt Sponsor, Hat Sponsor, Gold, Silver and Bronze sponsor. All sponsorships provide your firm with high-visibility participation in this inspiring community charitable event.

Guide dogs make such a difference in their partners' lives, and by example throughout the community. Please show your support for this worthy cause through Tee Off For Dogs. Please review the attached sponsorship opportunities list for details and return the enclosed sponsorship form. We look forward to your positive response.

Sincerely,  
Tee Off For Dogs Committee
